

Fall 2012

- **“The Great Pumpkin”** by Becky Delsman of Plays with Wool Designs, pg 12
 1. The pumpkin on the template page needs to be enlarged by 200%

- **“All Hallows Eve”** by Dawn Heese, pg 40
 1. Cutting Instructions From purple print cut (2) 8–7/8” x 8–7/8” squares

- **“Yard Birds”** by Joyce Weeks, Geoff's Mom Pattern Co., pg 80
 1. [Egg Template Pdf download](#)

- **“Pumpkin Square”** by Rhonda McCray, pg 46
 1. In the cutting of the "center block" you need a total of 8 (not 10) 2-3/8" squares from the assorted green prints (which will then be cut in half diagonally which is part of the pattern already).
 2. You also will need two 2-3/8" black squares "(A)" cut in half diagonally to finish the center section In squaring up the pieces: the flying geese of the center unit should square up to 1-5/8" x 2-3/4", the center unit itself should be squared up to 10".
 3. Pumpkin A should square up to 4-1/2" x 4-1/2".
 4. Pumpkin B should square up to 4" x 4-1/2".
 5. Pumpkin C should square up to 4" x 4-1/2"
 6. Pumpkin D should square up to 3" x 4-1/2". (Finished measurements were given instead of squared-up measurements)
 7. In the cutting instructions you are cutting "rectangles" and in the piecing instructions those same pieces are mistakenly referred to as "squares".
